

## Regarding Standard Patterns

Write thoroughly up-to-date in design, they have a simplicity of construction so that a novice in sewing can put them together.

Their seam allowance renders it impossible for anyone to fail in fitting garments, for there is always sufficient margin at the seam edges to permit alteration.

The instructions which accompany the patterns are expressed in clear, brief language, telling all that is necessary, yet not confusing with too much detail. Get a Standard Pattern FREE with the Standard Fashion Book for Autumn.

## THE EYES OF ALL WOMEN

Are Centered on Fall and Winter Apparel

OUR school of style is showing the latest ideas of the best and foremost designs of the leading New York houses. Not a day passes but what our already large display is augmented by the arrival of new designs and novelties in garments of every character.

We wish everyone to see our Fall showing of Suits, not expecting all who look over the line to buy, but we are quite satisfied that when you see the exceptional collection we are showing, you will concede that nowhere in this section will be found a showing to equal ours.

### MISSSES' JUNIOR SUITS.

In making up our fall showing of ready made Suits, we have not overlooked the young ladies or the little misses.

In the small Suits we are showing some very natty styles for girls from 8 to 12 years of age. These are made in the three-piece style, with a plain tailored coat, in blues, gray and greens. The price is \$5.50.

In the Junior Suits we have a very strong line. These are Suits that come in sizes such as 13, 15, and 17 years, and have all the style of the Ladies' Suits.

At \$9.50 is a very desirable model. Same is made with a full plaited skirt and a good length tailored coat, finished with black satin.

At \$12.50 is another good value in a more nobby style and a little better finished.

At \$15.00 and \$20.00 are some sample Suits which are all right for small ladies and are extra values.

### LADIES' TAILORED SUITS.

We have already told you of the extra value in an all wool Suit we are putting out at \$12.50, and many have already testified as to its value. These Suits are shown in all colors and black.

At \$18.00 we are showing a large variety of styles in an assortment of the best colors of the season, also in the popular cloths such as chevrons, serges and invisible striped worsteds. To know the worth of these values is to see them.

At \$20.00 are also some very good values in the best and newest styles, made in broadcloths and worsteds.

At \$25.00 you will find the strongest and best line of up-to-date values we have ever shown. These are shown in all the popular cloths.

At \$27.50 and \$30.00 our line of sample Suits is better than ever. Here is a line of Suits that have a style and finish of their own. Each is a little different than the other.

### SPECIAL SKIRT SALE.

We have just received a large quantity of new fall Skirts, and to start the fall business we have put on one of our racks a lot of extra values, in a variety of the new plaited styles, to sell at \$5.00 and \$5.75. These are none of them less than a \$5.00 value and are made in the latest fall style.

At \$10.00 we have just received a quantity of the Altman Voile Skirts. These are a hard twisted Voile that will not grow rusty, sag, or pull like the cheaper voiles. The styles are the newest and best of the season.

At \$12.50 are some extra values in black voile Skirts with a good silk drop.

At \$10.00 is a line of Suits in the new cloths such as fine wool repps, satins, solides, also serges and chilton panama. These are made in a variety of the new fall styles. These are also shown in colors.

At \$5.75 is another very strong line of popular Skirts in both black and colors, and cloths are only those we will guarantee the best.

At one half price are a few old Skirts.

A surprise party was given Miss Elena Huse Friday evening by a few of her friends, the occasion being in honor of her twenty-first birthday and also as she is about to leave Barre. A very pleasant evening was spent in playing games and music. Refreshments were served. She was the recipient of many pretty presents. Miss Huse left this morning for South Royalton, where she will enter the telephone exchange.

Address on Africa.

Since it became President Roosevelt's purpose to enter upon his present hunting expedition in Africa, the entire press of America has desired little to present to the public a thorough knowledge of conditions on the African continent.

There is no magazine of standing but has devoted much effort and space to the subject, until more or less information has found its way into the minds of most of us.

Barre will have the opportunity of hearing first hand on Thursday evening much that will be interesting concerning the heart of Africa from the address of Rev. J. M. Springer, who, with his wife, made an astonishing journey by native caravan across the heart of the continent in the spring of 1907.

There is nothing more interesting than Mr. Springer's account of features of that exploring journey, including the wild game, the African nations encountered, the conditions of life, and extensive mineral deposits, in places rich beyond belief.

The address will be given in Hedding Methodist church Thursday evening, Sept. 23, at 7:30. A wide variety of views will be shown, illustrating the subject matter. A collection will be taken at the conclusion of the lecture, but no admission will be charged at the door.

Card of Thanks.

We wish to thank the neighbors and friends for their kindness to us in our bereavement, also for the floral tributes.

Mrs. R. F. Martin and family.

South Barre.
